Dear Parents and Friends

Bury CE Primary School is participating in the EduVoice fundraising programme. The school is working in partnership with EduVoice to provide an easy and fun way for you and your children to help raise funds for our school. You'll be pleased to know it **does not** require you to spend any money and **does not** require you to buy anything. In fact, you can **earn** money yourself, if you wish.

What is EduVoice?

EduVoice is a fundraising scheme for schools where parents and children raise money, just by giving their opinions! The panel is by invitation only and can only be joined via a school in the UK. EduVoice regularly work with organisations like the Department of Education and local/central government. Your opinions really do matter, so not only are you fundraising, but you are also helping inform the decisions of companies and organisations throughout the UK.

What we would like you to do

The school would like all parents, pupils, wider family members and teachers to register with EduVoice. The more people we have taking part, the more money the school will raise.

To register yourself and invite other people you think may like to join please go to www.eduvoice.co.uk, where there is also more information available.

The important part

When you register at www.eduvoice.co.uk you will be asked for our schools unique code, this is:

424333640

Please enter this code when prompted

Thank you for your continued support for the school and we hope you enjoy being part of the EduVoice panel.
