Message from the Head

Dear Parents and Carers

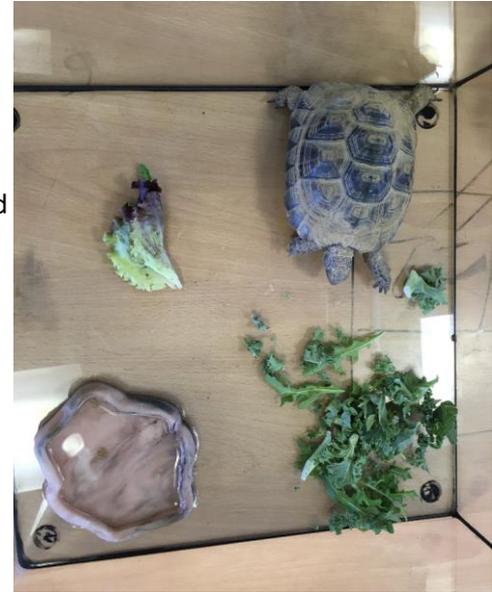

Over the past few weeks, we have welcomed back Mark and Liz to train our Year 6 children who have all taken part in Bikeability Level 2 cycle training. The training develops skills for cycling on single-lane roads with simple junctions and moderate traffic and included the core functions for safe and responsible cycling. It has been wonderful to see many more children cycling into school as a result and I am very pleased that the children all demonstrated great maturity throughout the sessions and have shown great proficiency in cycling safely on roads. Thank you to Mrs Evans, Mrs Dodson and Dr Thurston for coordinating this important life-skill for our children.

Year Three have had some great fun in their classroom this week and even had a special visitor Esio Trot for the day! It is great to see the children so engaged with their learning. They interviewed the special visitor to find out some information in preparation for writing an information report about tortoises next week.

I hope you all have a lovely weekend.

Best wishes

Miss Lock

Advanced notice

Due to staff training, **we will not be running after school club on Tuesday 3 November**. Please arrange alternative arrangements for childcare should you need it on this date.

Harvest Donations

Thank you to everyone who brought in donations for the foodbank. We have an amazing selection of dried goods and cleaning products to deliver to the foodbank next week. This will make such a difference to a number of families, so thank you for your support with this.

Parent Consultations

Next week you will receive information about booking in a slot for your child's parent consultation. As much as we would love to have face to face meetings with you all, this simply isn't practical at present. We will therefore be offering you either a telephone phone call or a Teams video meeting. Dates and times as well as information on how to book this will be sent out next week.

What is the **CORNWALL** you want for the future?

**DRAWING
