Someone in the community needs your help!

This is a request for anyone who has or knows of someone with **soldering skills** who can help someone living locally to fulfil a project they began as a hobby before falling ill. Their wish in life is to see the project finished, it would bring them so much joy. If you know of anyone that would be able to help this member of the community, please contact:

Expressive Autumn Landscapes

with Janet Judge

Monday 23rd September 10am - 4pm £50

Look forward to the beautiful colours of autumn in this expressive workshop. You will learn how to mix rich colour washes and experiment with different ways of applying watercolour. Try drawing into wet watercolour washes with Conte sticks, using them the traditional way on their side and sharp edges. Create texture with cling film and apply paint with sticks, feathers and other tools as well as brushes to achieve natural looking trees and branches.
