Message from the Head

Dear Parents and Carers

We have had a great first week back in school after the half term break. The children are showing such focus within their learning and we look forward to celebrating their successes with you in our parent consultations that will take place on either 30 November or 1 December. We will send out booking information for these next week.

Below are some important dates to remember. We know that this half term can be exceptionally busy and we are trying to ensure that we keep the routines going for our children as much as possible as well as giving our children the opportunities to participate in school activities that link the curriculum with first hand experiences.

I hope you all have a lovely weekend.

Miss Lock

This Week's News

Wow what a first week back it was lovely to catch up with the children and all their half term news. However, the weather has taken a turn and it has been rather nippy during our outside time so if we could ask that the children all have coats with them so we can make the most of the dry days as it feels like they may be few and far between for the next couple of weeks.

Activities

This week we have had a go at origami, the children are amazing at this and it is a firm favourite at wraparound so we will be continuing this over the next few weeks.

We also explored the themes of Bonfire Night and Diwali making firework pictures, Kandil lanterns and Rangoli designs using bright colours, different shapes and symmetrical patterns. Check out our work in the photo gallery!

Reminders

Please can we remind you all of the importance of booking all required sessions on Parentpay or via emmafoden@devoranschool.co.uk When booking it is important to select the session you require from the drop down menu, for breakfast club you need to scroll to the top of the list. This means we can plan for the children's individual needs and collect the children promptly from the classroom.
