Sailing for ALL

HRCST is a youth charity based on the Helford River providing subsidised sailing and watersports lessons for hundreds of children and young people across Cornwall each year. Learning to sail is a transformative experience for those taking part. We work with local schools to ensure that **ALL** children are given this opportunity to help them reach their full potential in life.

If you would like to make it possible for more young people to learn with us, support our work by making a donation online www.hrcst.org.uk/support-us/ or through Just Giving.

To book a place and for more details:
