### Re: Access to Oxford Owl ebook library

Dear Parents,

We are very lucky to be supported by 'The Friends of Bramingham Primary School' who have agreed funding to support children's reading at home. This will allow staff to hear children read a wider range of appropriate texts over Teams. We are sure you will appreciate having some new books to read with your child, at a time when we can't change them in school.

As a school we now have access to over 600 titles in the Oxford ebook library and Letters and Sounds ebook library. You can access all of these titles using your child's class login, which can be found below. Please click [here](#) to visit Oxford Owl and use your login. Login as a student.

*Usernames and passwords can be found in the letter emailed direct to you and are not published in this website copy. Please ask your teacher if you need reminding of the login details.*

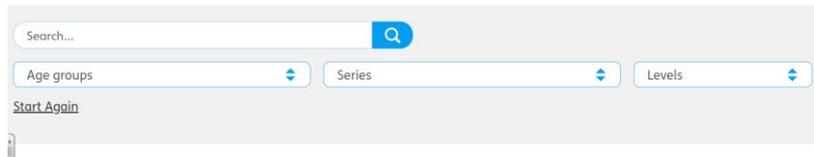

You can enter any of the libraries to read the books, but we have the full collection of the Oxford Owl and Letters and Sounds library.

Once you are in the library you can filter by age, level or series. Please ask your class teacher if you would like help to select an appropriate level book.

In KS1 and Early Years, the teacher will be able to tell you the phonics phase your child is currently working on.

When reading a book, there is a toolbar at the bottom that you can use to navigate through the book. Some books have activities you can complete after reading. These can be found above the book that you have open.

We hope that you and your child enjoy having a wider, targeted, selection of books to read.

Helen Bassett
