

Dear Junior/Parent

I am Colin Piper, new Head Coach at Arundel Tennis Club. I am a LTA Qualified Level 4 Tennis/Professional and a Former Full Time Player with over 20 years coaching experience within community and leisure centre programmes for both juniors & adults as well as for pro players. We have a brand new all year round Junior Tennis Coaching programme starting within the picturesque setting of Arundel Tennis Club. The Club is a family orientated tennis club with 3 Tennis Courts as well as a Mini Grass Court (summertime only) and a lovely clubhouse. To get the children started we have joined up with Bury Primary school & created a breakfast club starting January 2019.

Tennis is a great sport for promoting energetic physical activity as well as improving hand/eye coordination and most importantly is fun. Within the sessions, children will learn the skills associated with the game of tennis by learning through fun tennis based games and challenges. To book your space please return the reply slip below to reception by **14<sup>th</sup> December at the latest.**

**Bury Primary School Breakfast Club**
