

Whitemoor Academy

Head of School: Mrs M Rundle

Starting Reception September 2021

24th May 2021

Dear Parents and Carers

In September we look forward to welcoming you and your child to Whitemoor Academy. The transition from Nursery or pre-school settings to Reception is an exciting adventure in your child's education journey and one we plan to make as seamless as possible.

You should have already been asked to complete an online admission form. Please contact hello@whitemoor.org.uk if you are yet to do this so we can complete the administration for your child.

Over the next few weeks, you will receive regular communication from the school, the teachers and staff who work with the Reception Class. A variety of videos, activities and ebooks will be made available for you to share with your child. The first is our READY poster. Please support your child by practising the suggestions regularly with all members of your immediate family. We know that all children are unique. By achieving many of the described READY skills your child will be best placed to succeed in the Early Years curriculum.

We will also arrange a phone call to talk to you directly about your child and their needs. Unfortunately, we are unable to do this face to face at present. We will call you from week beginning 7th June. These will be during the afternoon and will be around 10 minutes each. I am unable to give you an exact time but the afternoons I will be calling are Tuesday 8th June and Thursday 10th June.

Please look out for our next communication in a few weeks time when we will be sending you our Welcome Booklet with essential details about the school.

We are hopeful that restrictions will continue to ease, and we will continue to update you with any changes in our transition arrangements following government guidelines. Look out for transition information for September in due course.

Best wishes

Miss Towner
