Shirley Community Primary School and Pre-School

Pupil premium policy

This policy incorporates the aims and values of our school mission statement (revised November 2019)

*To nurture a **love of learning** in our thriving community and to enable children to **reach their potential and succeed** in an ever-changing World*

It is rooted in our belief that every child is unique, and that this is reflected in the desire, commitment and aspirations of our school staff to address and overcome socio-economic factors – or any other external factor – which may hinder pupil progress and attainment, and ultimately affect their life chances.

Shirley Primary recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is school policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident. Our school does not use this policy to displace current strategies to intervene and support our pupils. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

Aims

To provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy, supported by use of additional, delegated funding.

To work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.

To work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.

To ensure governors fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.
