

Dear Parents and Carers

As you are probably aware, we have been instructed to close the school to almost all children from **tomorrow evening, Friday 20th March**, until further notice.

We will do all we can to remain open for the children of key workers (e.g. NHS staff, police, front line services) and children with special needs, as advised by the government.

We are waiting for the government to publish more information on what this means, however in the meantime, please let us know as soon as possible if you think your child may fall into one of these categories.

You can email us on office@shirley.cambs.uk or telephone the school office on 01223 712252.

Mr Cattermole will be sending out a separate letter to all parents today regarding coronavirus.

Kind regards

Shirley School Office
