Tuesday 17th December 2019

Dear Parents and Carers,

YOUNG PHOTOGRAPHER COMPETITION

Organised by the Rotary Club of Cambridge in association with
Cambridge Independent and the Cambridge Camera Club

Rotary Young Photographer is a national photography competition and we are excited to announce that Shirley Primary School have been invited to take part.

The Rotary Club of Cambridge is organising the local competition for young people, in association with Cambridge Camera Club and Cambridge Independent newspaper. The winning photos will be published in a special edition of the newspaper.

Winners of the Junior, Intermediate and Senior competitions will then go forward to the district and national finals. There are four age groups: Under 7, 7-10, 11-13 and 14 -17 and entries are required by **Saturday 31st January 2020**.

If you would like details on how to enter the competition, along with the entry form, please ask your class teacher for an information pack. Entrants will then be expected to submit their own entries by the deadline.

We very much hope that you wish to enter the competition and that the Christmas break presents an opportunity for any budding photographers to get inspired! We'd also really enjoy seeing some of your photography in school, let your teacher know if you would like to come and share it with your class.

If you have any further queries do ask your class teacher or myself.

Good luck and best wishes!

Elisabeth Walmsley
Art and Design subject leader.
