Dear Parents and Carers,

Tuesday 15th September 2020

We are really pleased to have you all back at Shirley school with us.

We have a great range of clubs on offer this term – please see overleaf.

All are run by Shirley staff with some by Premier Sports. We are pleased to welcome back Mr Reynolds who will be continuing to support with sports activities after school as well as lunchtime games. We also welcome Miss Hart from Premier Sports who is going to be running a dance club this term.

As part of our COVID-19 Risk Assessment for school, all clubs will be organized in single year groups.

There are limited spaces but, as always, we will do our best to accommodate all children who would like to sign up.

After talking with your child about which club they would like to try and that is available for their year group, please email clubs@shirley.cambs.sch.uk with:

- your child's name,
 - year group,
 - the club they want to attend
 - your emergency contact details.
 - *for Y5/6 pupils only, if they are allowed to go home on their own.
- You will then receive an email back to confirm which club your child is in.

It is essential that we also have emergency contact details and the most up to date telephone contact details for you. We also ask that pupils commit to being a part of these clubs and that they attend every week to make the most of this opportunity. Children will also need collecting on time.

Clubs will **start** during the **week beginning 21st September** and they will run up to half term and will start again immediately afterwards (week beginning 2nd November.) **All clubs will finish** during the **week ending 11th December**.

Please **email no later than Thursday 17th September**. We will then print out the lists of children in each club and display them on the notice boards you will also get an email confirming which club your child is in.

THIS LETTER IS NOT COMING HOME ON PAPER, THEREFORE YOUR EMAIL TO US IS YOUR CONSENT.

Yours sincerely

Miss Nixon
