

Dear Parents and Carers,

In Year 2 we will focus on 12 different spellings each week. These spellings are words which the children will use regularly and need to know by the end of Year 2. Some of these words can be tricky and therefore might be repeated throughout the year. The children will have time to practice these daily as a morning activity and will be encouraged to use them in their writing. On Fridays we will test them all. It would be really beneficial if these could also be practised at home, we will be looking out for children who improve on their score each week.

Please ask if you have any questions regarding this as we understand it is a new system.

Thank you for your support.
