

Year 1 Homework - 28<sup>th</sup> September 2018

This week in Maths we have been looking at number patterns.

We have been learning about number patterns that ascend and descend.

0,1,2,3,4,5,6,7 or 7,6,5,4,3,2,1,0

We would like the children to record their own number sequence.

Try to start on another number other than 1.

Challenge - Can you record a sequence that ascends or descends in 2's?

Please spend no more than 20 minutes on this task. Happy counting!
