Out Approach to Teaching and Learning:

- ✓ High Quality Teaching and Learning – All teachers are responsible for the learning and progress of every child in their class, including those with SEN.
- ✓ An inclusive, differentiated and personalised approach to enable all learners, including those with SEN, to engage with all aspects of school life.
- ✓ Refer to Teaching and Learning Policy

Our Graduated Response for Learners:

- ✓ Continual monitoring of the quality of teaching
- ✓ Universal TIS (Trauma Informed Schools) assessment of all learners.
- ✓ Identifying and tracking the progress of children/young people that require support to catch up by conversations with staff and parents, data analysis, pupil conferencing, work scrutiny, professional reviews, pupils placed at 'On Alert' to put in targeted intervention.
- ✓ Identification of children/young people requiring SEN Support and initiation of "assess, plan, do, review" cycle.
- ✓ Consideration of application for Education, Health and Care Plan.
- ✓ All children/young people identified as requiring SEN Support, or with an Education, Health and Care Plan (or statement) are on our Record of Need.

How we identify children/young people that need additional or different provision:

- ✓ Class teacher refers to SENDCO – children who have been 'on alert' for two terms and provision put in place at this point has had no significant impact
- ✓ Ongoing curriculum assessments
- ✓ Tracking progress using data

- ✔ Further assessments by specialists, including those from external agencies

We take a holistic approach in all aspects of a child's development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children/young people, including those with SEN, is set out in our School Offer. Our measures to prevent bullying can be seen in our Anti-bullying policy.

How we listen to the views of children/young people and their parents:

The Assess, Plan, Do, Review Cycle:

For children/young people on our Record of Need, an Assess, Plan, Do, Review cycle will be established by termly review meetings where provision is adapted to meet current needs. An Individual Learning Plan is put in place in partnership with the child/young person, their parents and the class teacher. Please see our SEN Policy for further details.

During the 2021/2022 academic year, we had 41 Children/young people receiving SEN Support and 7 children/young people with Education, Health and Care Plans.

This year, provision made for these children/young people on our Record of Need has been:

- ✓ Use of socially speaking and 'I'm A Social Detective' resources for pupils in KS2
- ✓ Opportunities to develop communication skills in school productions and class performances.
- ✓ The use of visual prompts such as visual timetables and traffic light cards.
- ✓ The use of alternative ways of recording learning – for example use of IPad's, photos, talking tins, adult scribes.
- ✓ Good practice in teaching, for example the use of clear unambiguous language consistent across the academy asking children to repeat back instructions, task management boards, regard systems and promoting a growth mind-set approach.

- ✓ Physical and/or sensory breaks or sensory circuits for individual children to support their sensory, physical or emotional needs.
- ✓ Training sessions delivered by outside agencies to inform practice e.g. from the hearing Support Team and vision support team.

We monitor the quality of this provision by meeting regularly with parents and carers, discussing issues or needs as they arise, liaising with class teachers and support staff, monitoring interventions and planning, and provide relevant training to meet the needs of pupils in our academy.

An Aspire SEND group continues to work collaboratively to improve provision and to share good practice in SEND. Four years ago, Aspire introduced the Charter mark to support Academies within Aspire to audit their provision and put into place actions to enhance provision for pupils with SEN. Mount Hawke Academy was awarded the Silver SEN Chartermark in 2018 and submitted an application for the Gold SEN Chartermark in July 2021. The SENDCo attends all Aspire inclusion training days.

We measure the impact of our provision using results from our in-school tracking system and P-scales. We also measure our impact of our provision through listening to children's views and by talking with parents and carers. Feedback from outside agencies, for example the ASD Team, also help us to assess and measure the impact of our provision.

Support Staff Deployment:

Support staff are deployed in a number of roles:

- ✓ Delivering small group intervention including Rapid Phonics
- ✓ Liaising with parents, meeting and greeting specific pupils at the start of the day/end of the day.
- ✓ Supporting learning in class
- ✓ Lunchtime supervision
- ✓ Running clubs
- ✓ Adaptations to equipment and resources
- ✓ Supporting individual children or groups in class

We monitor the quality and impact of our support by giving all staff opportunities to develop their training, having diverse roles, promoting opportunities to access wider SEN experiences, and providing opportunities to liaise with other schools.

Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ Heads of School meetings
- ✓ Meetings between SENDCos
- ✓ Aspire SEND group meetings
- ✓ Termly Aspire hub monitoring days
- ✓ Shared workshops accessed by our pupils and those from other academies
- ✓ Transition to secondary school: whole class and enhanced transitions, regular communication.
- ✓ Academy trips, camps and sporting events
- ✓ Moderation meetings
- ✓ Learning walks in other schools

We ensure the transition from Nursery to Reception is smooth by having regular discussions with the pre-school and Reception. In normal circumstances, Reception staff visit our local nursery. This year, due to the pandemic, Reception staff have also met with nursery staff virtually. Early in the summer term, Reception staff upload a weekly video to the school website to familiarise children and their families with the staff and the layout of the classroom. They also act out stories and take the children on virtual treasure hunts etc. Enhanced transition is put into place to address any SEND requirements.

We support the transition between classes and teachers by planned transition days, regular opportunities for children to speak to other members of staff in school through clubs, shared

assemblies. Children who are deemed vulnerable or anxious about transition, receive an enhanced transition package, including a photo book about their new class and a welcome postcard from their teacher in the holidays.

The transition from Year 6 to secondary school is supported through planned transition days, visits from the secondary school to our school and SENDCo support for the parents of pupils with ASD transferring to secondary school

For children/young people with SEND, we also inform the school about individual children's needs, complete one-page profiles and organise extra opportunities for more visits or more transition days if needed.

Parents are included in this process through voicing any concerns they might have, supporting them in the application process and helping them select the best school for their child's needs.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan, which includes our SEN Action Plan. This can be available if required; please speak to the SENDCo.

Our complaints procedure:

Anyone wishing to make a complaint with regard to SEN support and provision should contact the class teacher as the first point of contact. The SENDCo is also available to discuss any concerns or complaints you may have.
