April 2019

What did we get up to in April?

Just before the Easter holiday, the school choir took part in the CLP Showcase of Performing Arts at Huish Episcopi Academy. They performed brilliantly alongside several other schools and were received very well by a packed audience.

Well done to all the Infant children who took part in the Easter Bonnet Parade just before the break. We were all really impressed with their creative designs.

The Junior topic day was also a huge success. Thank you to all parents who came along to join in with the activities in classes and well done to all the children for their incredible city hat designs! Please see our school website for some photos from the day.

All children across the Academy attended an art workshop as part of the Somerton Arts Festival, learning how to do paper marbelling. Their art work will be displayed as part of the festival in July.

DATES FOR YOUR DIARIES

1st May	Meeting for parents of children attending London trip at 6.00pm
2nd May	CLP High Five Netball tournament at Huish Academy after school
7th May	CLP Quad Kids Athletics at Huish Primary

23rd May	CLP cricket tournament at Curry Rivel Cricket Club
25th May—2nd June	Half term
Monday 3rd June	Back to school. Year 6 residential trip to London

PTFA

The spring term was yet another busy one for the PTFA and we'd like to thank all the parents and school staff who help at the events and behind the scenes. We are always on the lookout for more helpers so if there is an event you think you might be able to help with please come along to one of our meetings or contact the school office.

Over the term we held 2 Junior school discos raising £550, the Easter Egg tombola raised £350 and the recent Infant disco raised £140.

The money raised from these events helped pay for the Infant school science day workshop, purchasing reusable plastic cups for the children as part of the school's drive to reduce single use plastic and classroom donations for art materials to help with the summer term art topic.

The PTFA have lots of plans for events during the summer term including end of year discos for both sites, a moving on party for Year 2 children and of course a Summer Fayre. Yet again we are funding the Junior school play and providing refreshments during performances. We are looking for raffle prizes for the school play and Summer Fayre, please hand in any prize donation to the school offices. Thank you.
