Dear Parents/Carers

KS2 Topic Outcome Day

During this term all the Junior classes have been working on their Geography based topic, 'City Life'. This topic will culminate in one of our topic outcome days which will take place on Wednesday 3rd April. For this day we would like the children to bring to school a 'hat' that has been designed to represent a particular city of the world! Each teacher will provide some time in school for the children to start making their hats and we hope that the children will continue working on creating their hats at home.

You are very welcome to join us between 9am and 10am on April 3rd.

9.00am: Please visit your child's classroom to share in an activity based around this topic.

9:30 – 10:00am: There will be a 'Hat Parade' in the school hall. Children from all the classes will parade through the hall to show you their hats which will have been made to represent a particular city. We very much look forward to admiring their designs!

Yours sincerely

S Svenson

Headteacher
