Dear Parents

As part of our City Life topic, children in Kestrel class have written letters addressed to a 'friend in the city', asking questions about what it is like to live there. We have a contact with a school in the city of Bradford, West Yorkshire, and have sent the letters to a Year 4 teacher there so that his children can reply to our children's questions.

Children in Kestrel class are also corresponding with the primary school in Sillé-le-Guillaume, Somerton's twin town. We have sent and received Christmas cards and are planning to exchange further correspondence this term.

The children are very excited by the opportunities afforded by these activities and we are sure they will tell you all about them!

Please be assured that in both cases, only first names and the school address are used to protect the children's anonymity.

If you have any questions or would like any further information about what we are doing, please do not hesitate to contact us.

Yours faithfully

Miss Smith
