1) School Improvement Plan (SIP) MN explained that he has started working on the SIP and that this was a chance for parents to put forward their suggestions for school improvement focuses. Parents suggested about Parental Engagement and support sessions for Parents. MN explained that Mrs Jago has a new role in school related to this. Parents were positive about this and also asked for having more parental sessions linked to SATs, Phonics, Maths methods, etc... Some parents also suggested more opportunities for Sport so children can attend more events. They were positive about the increase in events recently, but still would like some further opportunities. MN explained his intentions for Clay Cluster Sport, more opportunities for KS1 children and attendance at monthly Mid Cornwall Sports Network Cross Country Events.	MN to display SIP and explain in Parents Forum during early 19-20 academic year.
2) Social Media - update MN explained that as a school we are hoping to begin a social media account with further communication to parents being one of the main objectives. This is our staff meeting focus for this evening. MN asked parents for their opinions. Parents thought this was an excellent idea for reminders / communication with parents and for news of school events (such as children's work). Parents suggested Facebook, but that any Social Media would be useful. MN explained that there will be a Social Media Survey to parents. Parents suggested having this was a good idea, but could there also be a few paper copies in the office so that all parents can access this.	Social Media Survey to parents to go out as a link this week. MN to update about this in future Parents Forum Meetings.
3) PTA - Fundraising MN thanked the parents who attended the PTA session with SH. The first event planned is refreshments at sports day and a bingo evening (both Monday 17 th June, 2019).	MN to update about this in future Parents Forum Meetings.
4) AOB Clubs section of website needs updating. MN to also ask about e-schools payment system, could parents pay in advance for things?
