

'Growing together at the Heart of God's Community'

4th October 2019 - Our "Value for life" is Truthfulness

The truth will set you free. John 8:32

Head Teacher's Hello:

I hope you are able to join us at church this Friday for the Harvest Festival Service at All Saints Church. The children have been practising the harvest songs and I particularly like the *Harvest Samba* which the children have seen the teachers swaying and moving to! Talking of Harvest we are hoping to take at least one or two classes for a walk around our locality to spot the scarecrows...you can't miss the one at Bent's. Ours is a little more sedate, the Gardening Club started to create the little boy, who we have called Max, one of our younger children (also called Max) proudly said we have 3 Max's in school and could do with another one! The staff also made a teacher scarecrow who the children have called Mrs Lovely...we decided we need to make a statement with our scarecrows, so through discussion with the Ethos group we talked about how some people are often judged by how they look, such as those with disabilities. With Ellie Simmonds the Paralympian as our inspiration we came up with the phrase: Some see disabilities BUT God and education see only POSSIBILITIES! Our children are amazing, our scarecrows will be in the school yard from Friday evening so those walking around on the Sunday can see them and they will be up for a week. Remember that our door is always open for questions or concerns. Mrs Mowbray
