Dear Parent/Carer

Outcome of Multi Academy Trust Consultation

On the 16th February 2018 our consultation period for Glazebury CE Primary School to convert to academy status and join the Liverpool Diocesan Schools Trust (LDST) ended, many thanks to those that responded both verbally and by letter.

The Governing Body have considered all the comments received during the consultation process, I am writing to advise you that the Governing Body took a unanimous decision to progress with our application to join LDST with conversion around September 2018. Of course the Governing Body will continue to work closely with LDST and the Local Authority to ensure this process is completed thoroughly and remains focused on the best outcome for all.

Our proposal for conversion to academy status in order to join the LDST is underpinned by a shared commitment to ensure the best possible outcomes for children at Glazebury CE Primary School and that the individual identity, characteristic and Christian ethos of our school is maintained and strengthened.

Thank you to all of you who made contributions in the consultation process. In accordance with good communication in the school, you will appreciate that full consultation has been concluded but should you have any questions then please do not hesitate to contact me via the school office. We will continue to keep you informed of progress throughout the coming months.

Further information about the Liverpool Diocesan Schools Trust can be found at WWW.LDST.org.uk or within the school website.

Yours sincerely

Stuart Roberts-Tighe
Chair of Governors
