

## 'Growing together at the Heart of God's Community'

6<sup>th</sup> December 2019 - Our "Value for life" is Peace

### Head Teacher's Hello:

WOW... we have so much to celebrate, the Class 2 children were fabulous sharing their geography learning this week. The exhibition certainly ensured that the children were able to shine and show how much they knew. Mrs Goman and I were even taught a new map symbol. We have also had an all day electricity workshop for Year 5 and Year 6 on Tuesday, which children tell me was 'electrifying!' Great pun there Class 4! On Wednesday we had a 'Walking On Sunshine' happiness and well-being Pop Project visit. There was fantastic singing, acquiring knowledge and even dancing...Glazebury CE was rocking! To top all that we now have the official news that a PTA lottery bid that was compiled was successful, so we are looking for our minibus after Christmas. We can't wait to start with sports competitions and trips not to mention loaning it to our local community such as the church and the scouts too. If there are any mechanics out there that can help check out the minibus before we buy it we would be very grateful. Well what a great week and I am looking forward to the Christmas activities and performances next week. As always if you have any questions or concerns please do come and have a chat. Mrs Mowbray.

**Christmas Fair** – A massive **THANK YOU** to everyone for making our Christmas Fair a great success and to everyone who donated, supported and attended last Friday afternoon.
