

## Glazebury Primary School PTA

The PTA has been an integral part of our school community for a number of years and has raised many thousands of pounds. This allows the school to buy new equipment and resources to enhance our children's education and school facilities that cannot be met by the small school budget.

Our most recent project has been raising funds towards the fantastic new play equipment in the front playground, which the children are all enjoying immensely.

We rely completely on volunteers and are always glad of new faces and fresh ideas.

**How to get involved?** Your help is greatly appreciated no matter how much time you have to give.

Come along to the next meeting or help out at an individual event.

**Next Meeting: - Wednesday 26<sup>th</sup> September -  
6pm at School.**
