

## 'Growing together at the Heart of God's Community'

2<sup>nd</sup> March 2018 - Our "Value for life" is Justice

**"If you want peace work for justice" - Pope Paul VI**

### Head Teacher's Hello:

Dare I say...**Practically perfect in every way!** Both children and staff had an exciting World Book Day this week. A big thank you to all the parents for making this a great experience and supporting their children. It was lovely to see so many in the collective worship and now we have a template to work with ...roll on next year for even more! On that note, if children do outgrow costumes feel free to give them to school they always come in handy for productions and role play. We have tweeted photos for you to see. Next week the year 6 Geography residential begins and we will be getting lots of pictures emailed to put on our website. I am looking forward to the children seeing how maps have a real life application, Oh and to have lots of fun! As always remember if you have any concerns or questions or door is open. Mrs Mowbray (Mary Poppins).

Please note that as of 01/03/18 we can no longer accept the old style paper £10 notes, please ensure that you do not send these in as payment for dinners/trips etc as we are not able to bank them.

Text Messaging for Schools

Please see attached letter from Teachers 2 Parents regarding the text messaging service we use to communicate with parents and a slight amendment they are making to the system from 05/03/18.

Mother's Day Gifts – The Gardening Club have home grown pots of Daffodils and will be selling them week for Mother's Day Gifts. Watch out on the playground for these being sold.

Rev Mike Greenwood will be running Mothers' Day Service on Sunday 11<sup>th</sup> March at 11am at All Saints Church and would be delighted to welcome as many families as possible.

Exciting news – The PTA are holding our first ever 'Drive In Movie', straight after school on Friday 23<sup>rd</sup> March – bring your home made cars in. The school council will be voting on the film in the next few weeks. We look forward to seeing all the car creations!

School dinner monies – please can I remind you again the importance of paying dinner money either on a Monday or on the day your child has the school dinner. Parents are not paying for school dinners when they should and this is impacting on time school staff are chasing up funds and on the school budget which directly has an impact on all children.

Come along to our exciting After School Club where you can have fun with your friends or relax and read a book. A light snack is served and the activities we have planned for the first week back from half term as follows:

Monday	Football/Basketball
Tuesday	Arts/Crafts/Card Making
Wednesday	Baking
Thursday	Just Dance
Friday	Film Night
Every afternoon session children will be supported with their homework & reading
