

# TELFORD INFANT SCHOOL

## NEWSLETTER

Dear Parents and Carers,  
You may have seen in the media that over the past fortnight there has been a significant rise in cases of COVID-19 resulting in a vast number of children and school staff having to self-isolate. The rates of infection in the Warwick and Leamington District are particularly high.

We have been extremely fortunate to have avoided any positive cases in school that have resulted in a closure and very much hope this continues for the next 3 weeks. However, a reminder of how the school would alert you to any COVID-19 related closures can be found on the second page of this Newsletter.

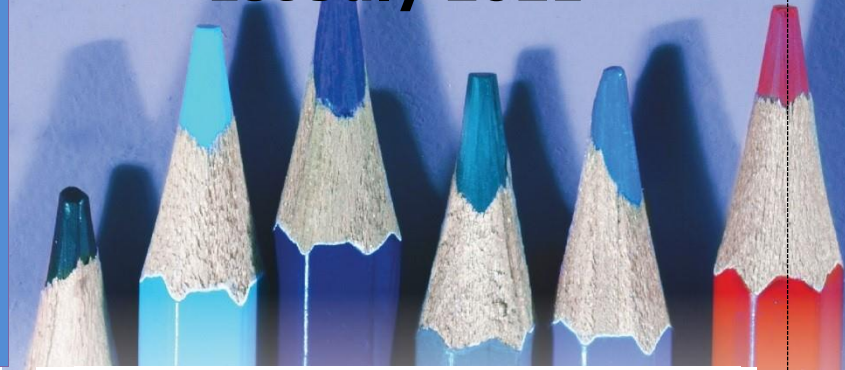

On a much more positive note the children are busy with their learning and are having lots of fun. It has been a very challenging school year but the children certainly have plenty of enthusiasm and energy left!

As always, thank you very much for your ongoing support. Best wishes,  
Mrs Siân Oustayiannis – Headteacher

**The closing date for completing the questionnaire is 12 noon on Friday 16<sup>th</sup> July** and we do hope that you will provide us with your feedback.

### **SENDING LEARNING HOME**

Over next few weeks children will come home with work that has been completed throughout the year. Please be reassured that all items sent home will have been quarantined for a minimum of 72 hours.

### **ROAD CLOSURE**

The school has been informed that there will be a road closure in place on Leicester Lane near Cubbington between Monday 12 July and Thursday 22 July including weekends subject to consent.

The closure will be in place between 9:30am and 3:30pm each day including weekends with workers on site one hour before and one hour after the works to set up and secure the site at the end of each day.

Full details of the works along with a map are enclosed in the notification attached to today's correspondence.

**REMINDER - WHAT WOULD HAPPEN IN THE EVENT OF A BUBBLE CLOSURE DUE TO A POSITIVE CASE OF COVID-19 HOW WE WILL INFORM YOU IF YOUR CHILD NEEDS TO SELF ISOLATE**

Should a pupil or staff member receive a positive test for COVID-19 and, under the advice of Public Health England, your child is identified as needing to self isolate the following will happen:

\*If your child is already in school and needs to self isolate, you will be alerted by text and asked to collect your child as soon as possible.

\*If we find out that we need to close a bubble outside of school hours and your child needs to self isolate you will receive a text informing you of this and letting you know that your child should not be brought into school.

This will be followed up as soon as possible afterwards by a letter sent to you on eschools. Parents of children who do not need to self isolate will also be informed through eschools that a positive case has resulted in a bubble closure.

If you need to inform us of a positive case out of school hours please email [admin2326@welearn365.com](mailto:admin2326@welearn365.com)

Please note that the school phone is manned between 8am and 4pm each school day.
