## NEWSLETTER SCIENCE WEEK SPECIAL

28th February 2019

"My favorite part of our visit to the Space Centre was the night and day show because I could see all the stars" Jacob, Indigo class

Dear Parents and Carers,

Just before half term we had a wonderful Science Week where the children learnt all sorts of interesting things about space. We thought that we would take this opportunity to share some of the fantastic learning that went on throughout the week.

### MONDAY – VISIT TO THE NATIONAL SPACE CENTRE

On Monday 11<sup>th</sup> February we went on an amazing whole school trip to the National Space Centre in Leicester.

Amber class loved being astronauts and rockets at the Space Centre.

Sapphire class were fascinated by the weather globe.

### TUESDAY – A VISIT FROM TELFORD JUNIOR SCHOOL SCIENCE AMBASSADORS

Thank you to Mr Fox and the Science Ambassadors from the Junior School who came to help us with our learning.

**A huge thank you to everyone who made Science Week 2019 such a big success!**

## WEDNESDAY – A DAY OF SCIENCE LEARNING IN OUR CLASSROOMS

School was buzzing with all of the children doing some amazing science learning in the classrooms.

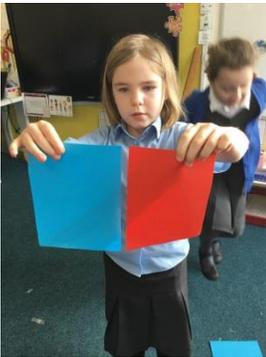

Children in Magenta class were very proud of their learning.

Which material would keep an astronaut dry when they land back on earth in the ocean?  
Amber class investigate.

What food does an astronaut eat? Amber made a strawberry pudding and rehydrated it.

"It was fun doing the experiment with paper because I could choose different ways to do it."  
Elsa, Indigo.

"We did a really exciting experiment to find out if friction would affect how far a rocket would travel."

## THURSDAY – A REAL PLANETARIUM IN OUR SCHOOL HALL!

We were all bursting with excitement about the planetarium in our hall.

"I enjoyed looking at the stars in the planetarium. I found it really interesting to learn about how Apollo 11 broke apart." Barney, Sapphire.

## FRIDAY – SHARING OUR LEARNING

"I really enjoyed going into the hall to see what all the other classes had been learning"  
Ciaran, Sapphire.

"It was great fun sharing our learning with our buddy classes. I showed them my folder"  
Ayesha, Sapphire.
