Dear Parents and Carers,

OFSTED INSPECTION

A huge thank you for all of your good wishes and support during our OFSTED Inspection yesterday – all of your smiles and encouraging words (and cakes!) were very much appreciated.

Thank you too to those parents who completed Parentview; who helped their children access the Pupil Questionnaire and who spoke to the Inspector in person yesterday morning. We were only informed that the inspection would be taking place late on Monday morning so your speed in completing questionnaires was really helpful.

During the inspection your children were, as always, an absolute credit to the school and to yourselves.

I am sorry that I am unable to share the outcome of the inspection with you right now. To do so would make yesterday's inspection null and void and we would then be subject to a further inspection so I do hope you will understand the reasons for having to wait a short while for feedback. I have been informed that I should be in a position to share the outcome and the formal written feedback from the inspector with you in approximately 2 to 3 weeks.

Thank you again, not just for your support yesterday, but for everything you do working in partnership with us to make Telford Infants such a wonderful place for our children.

Yours sincerely,

SA Oustayiannis
