

# TELFORD INFANT SCHOOL

## NEWSLETTER

Dear Parents and Carers,  
Following the Prime Minister's announcement regarding the delay to the lifting of Coronavirus restrictions the school must continue to work under the DfE COVID related actions for schools document and follow the government guidance regarding numbers of people that can gather both indoors and outside.

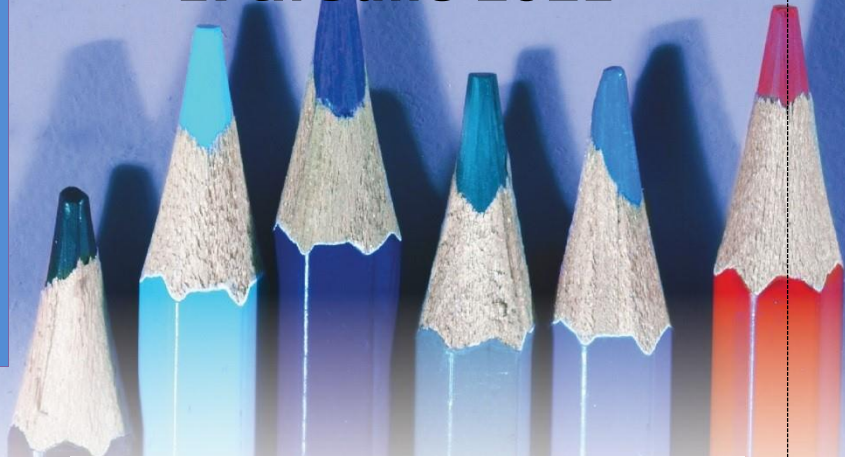

We are still awaiting further guidance from the Local Authority but we are not expecting to be able to invite parents to attend children's events this half term. This is not the way we were hoping or planning to end the school year but hope that you will be understanding and supportive, we really are trying our very hardest.

No matter what, we shall as always ensure that the children have an exciting, fun and happy ending to the school year and that they make lots of happy memories. In terms of transition to new year groups we shall of course prepare them as best we can for September now that Induction Day has been cancelled across the county.

Please do keep checking back on the Diary Dates section of weekly newsletters.

Best wishes,  
Mrs Siân Oustayiannis  
Headteacher

17th June 2021

### CLASS PHOTOGRAPHS

You may remember that last October we were only able to offer individual photographs of the children when the School Photographer visited.

We are pleased to let you know that the photographer has managed to squeeze us in for Class Photographs next Friday – 25<sup>th</sup> June. This will be weather dependent as the hall is still out of use to Year 1 and 2 bubbles and photos will therefore have to be taken outside. However, if it rains we will do our very best to dodge the showers!

### DRIVING AND PARKING AROUND THE SCHOOL SITE

Last week the school was informed of particularly dangerous parking around the school site and the police have been alerted.

If you need to drive your child to and from school **please drive and park safely and considerately**. This will help ensure that we keep congestion to a minimum, maintain a good relationship with our neighbours and most importantly **keep our children and all members of our school community safe**.

## SCHOOL YEAR 2021-22

The teaching teams for September have now been finalised. These are being shared with you today as parents of new Reception children (Sept 2021 intake) will shortly find out who the adults are across the Reception team and we feel it is only fair for you to also be told where our staff will be based in school next academic year.

Current Reception and Year 1 children will find out which classes they will be in as part of transition arrangements later on in the half term and at that point we shall of course share this information with you too.

**We shall not be reorganising classes – children will move up to their next year group in their current class.**

We are delighted to let you know that Miss Gebby Taekema has been appointed as a class teacher at Telford Infants next year covering Miss McEnery's Maternity Leave.

The Local Authority has just informed us that there will be no set common County Induction Day on 7<sup>th</sup> July. Now that this has been confirmed and we have been provided with further guidance around transition we will finalise our plans for induction to new year groups and confirm these with you shortly. Mr Siviter will also be in touch with parents of Year 2 children.

## COMPASS SCHOOL HEALTH NEWSLETTER

In their latest newsletter, the School Health team raises awareness of rare conditions, diseases and genetic disorders.

## GOVERNOR WRITING COMPETITION

Please see the letter attached to today's correspondence from Governors regarding their recent Writing Competition.

Thank you to everyone who entered – the quality of writing was amazing and every single entry made our governors smile.

Book vouchers will be presented to the winners at tomorrow's whole school TEAMS Celebration Assembly.
