

# TELFORD INFANT SCHOOL

## NEWSLETTER

21st May 2020

Dear Parents and Carers,  
A shorter Newsletter this week as writing Risk Assessments for the phased reopening of school and creating a plan that will ensure children and staff are kept as safe as possible when it is time for them to return is proving extremely challenging and time consuming.

That said we now have a plan that has been agreed by governors and that staff feel comfortable with. Please look out for a letter from myself and Sarah Boad, Chair of Governors, tomorrow.  
In the meantime stay safe and keep well.

Mrs Siân Oustayiannis  
Headteacher

Parent Teacher  
Association

### COIN SNAKE

Some great news from our PTA!  
The Coin Snake challenge raised over  
**£460!**

The PTA will announce the class winners in due course.

Thank you to everyone who donated spare change to this event and to Claire and Ellie for counting the money for us!

### RARING TO GO!

Our Raring2go rep drops off magazines for families approximately every 3 months. This quarter they have sent the following message and a link for parents to access their latest edition.

*In order to help parents with ideas to keep their kids entertained at home, and to support home learning, I have put together a special 'at home' digital edition of the magazine which is full of clickable content that I hope they will find useful as well as supporting some of our local businesses at this tricky time. If you could share this with your parents/families I would be very grateful.*

### FAMILY INFORMATION SERVICE

The Warwickshire Family Information Service is a great source of information and is brilliant for pointing you in the right direction if you need help.

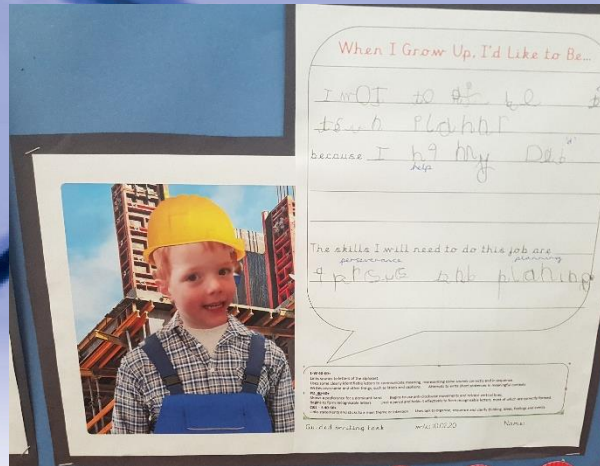

<https://www.warwickshire.gov.uk/childrenandfamilies>

They have a Facebook page too:

<https://www.facebook.com/WarwickshireFIS>

You can sign up for their newsletter here:

<https://mailchi.mp/warwickshire/familyinfoservice>

## RECEPTION DISPLAYS IN SCHOOL

Last term the children in Reception absolutely loved learning about lots of different careers. At the end of the topic they were asked once again what they wanted to be when they grow up.

They chose their career and used Mashcam to show what they would look like using their future work outfit.

They then wrote about what they would like to be, explained why they wanted to do this job and described the skills they would need.

We hope you enjoy seeing some of their learning – we just wish we could fit all the children in one Newsletter!
