

Staff, Governor and Visitor Acceptable Use Agreement / Code of Conduct

ICT and the related technologies such as email, the internet and mobile devices are an expected part of our daily working life in school. This policy is designed to ensure that all staff are aware of their professional responsibilities when using any form of ICT. All staff are expected to sign this policy and adhere at all times to its contents. Any concerns or clarification should be discussed with the school e-Safety coordinator.

- I will only use the school's email / Internet / Intranet / Learning Platform and any related technologies for professional purposes or for uses deemed 'reasonable' by the Head or Governing Body.
- I will comply with the ICT system security and not disclose any passwords provided to me by the school or other related authorities.
- I will ensure that all electronic communications with pupils and staff are compatible with my professional role.
- I will not give out my own personal details, such as mobile phone number and personal email address, to pupils.
- I will only use the approved, secure email system(s) for any school business.
- I will ensure that personal data (such as data held on SIMS) is kept secure and is used appropriately, whether in school, taken off the school premises or accessed remotely. Personal data can only be taken out of school or accessed remotely when authorised by the Head or Governing Body.
 - I will not install any hardware or software without permission of the ICT Manager.
 - I will not browse, download, upload or distribute any material that could be considered offensive, illegal or discriminatory.
- Images of pupils and/ or staff will only be taken, stored and used for professional purposes inline with school policy and with written consent of the parent, carer or staff member. Images will only be captured using equipment belonging to the school, the use of personal devices is forbidden. Images will not be distributed outside the school network without the permission of the parent/ carer, member of staff or Headteacher.
- I understand that all my use of the Internet and other related technologies can be monitored and logged and can be made available, on request, to my Headteacher.
- I will support the school approach to online safety and not deliberately upload or add any images, video, sounds or text that could upset or offend any member of the school community
 - I will respect copyright and intellectual property rights.
- I will ensure that my online activity, both in school and outside school, will not bring my professional role into disrepute.
- I will support and promote the school's e-Safety policy and help pupils to be safe and responsible in their use of ICT and related technologies.
- I will access the Internet and email using my own network and email user IDs and passwords and I will not disclose my network or email user ID and password to anyone else for security reasons.
- I will make sure that if I use my personal device to access emails it is kept secure (eg pin code). No other family members have access to the device. No attachments containing personal information should be downloaded to the phone.
- Personal use is offered as a privilege and not a right. I understand that when I use the Internet and/or email at work for private use, I am still identifiable as a representative of St Robert's RC First School and should not therefore engage in any activities that could bring the school into disrepute. Personal use of the system, for browsing the Internet or sending external email messages to friends or family, should be moderate and in my own time, I should not use my St Robert's email address to sign up for any accounts of a personal nature, social networking sites for example.

Failure to comply with the Acceptable Use Policy could lead to disciplinary action.

I agree to follow this code of conduct and to support the safe use of ICT throughout the school.
