

Punch & Judy

Mr Punch comes by and says hello to the children.

Mr Punch plays with Toby the dog, but naughty Toby bites Mr Punch on the nose!

Mr Punch's wife, Judy gives Mr Punch the baby to hold while she puts Toby on his lead.

Mr Punch is very naughty and throws the crying baby away!

Judy is very cross with Mr Punch and goes off to find a policeman.

When Judy comes back with the policeman, he tells Mr Punch off. Then Judy offers to cook some sausages for breakfast.

While the sausages are being cooked a crocodile sniffs the air. He comes to find the sausages and tries to pull them away from Mr Punch, who won't let go!

The policeman takes away the naughty crocodile and puts him
in a zoo!
