

SKYLARK FEDERATION

COVID-19 BEHAVIOUR POLICY ADDENDUM

This policy addendum has been written to support behaviour expectations as the Skylark Federation schools reopen on Monday 1st June 2020 following the COVID-19 lockdown and school closures.

Staff will model social distancing and other safe practices to address Coronavirus concerns. The message to all our children will be clear; we all need to take precautions against this virus.

You (the pupils) will be expected to:

- Follow any altered routines for arrival and departure.
- Follow instructions on hygiene. This includes directions about handwashing and sanitizing.
- Follow instructions on who you can socialise with at school; children will be expected to stay in their bubbles.
- Follow the specific instructions you will be given about how to move around the school. You will be expected to follow one-way systems. You will be expected to have to queue at times. You may find that some areas are out of bounds.
- Remember to catch it, bin it, kill it when sneezing and/or coughing. Dispose of any tissues you have used safely. We now have lidded bins in every classroom that you operate with a foot pedal.
- Avoid touching your mouth, nose and eyes during the day.
- Make sure that you tell an adult if you feel unwell.
- Do not share your water bottle with anyone else.
- Take care when using the same equipment as other children; remember to wash your hands after using play equipment and laptops/iPads, for example.
- Use the toilets safely and sensibly; there is a one in, one out system when using the toilets.
- Deliberate coughing towards any other child or an adult is not acceptable and will be dealt with very robustly.
- Biting any other child or an adult is never acceptable but is more concerning during COVID-19. Any biting incident will be dealt with very robustly.
- Social distancing must be followed whenever and wherever possible by EVERYONE. Refusal to socially distance will be dealt with very robustly.
- Rewards and sanction systems will be used as appropriate. These will be school-specific, and decided by the HOS.
