

Class check-in Golden Rules

1. Remember to start the meeting by **muting yourself**;
2. **Wait patiently** until the teacher starts the meeting, and all your classmates have arrived;
3. **Sit in a family room** at home – not your bedroom;
4. **Always wear suitable clothing** to the class check-in;
5. When you'd like to share some thoughts with your teacher, **simply comment** in the chat bar. Then, your teacher will invite you to speak and share your question;
6. **Be polite and kind at all times** – remember, we're recording this to keep you safe.

To take part in our class meetings, you must always follow these Golden Rules. The teacher will remove you from the meeting if you don't make the right choices.
