Children's entitlement to school

All schools in the country must be open for children for 190 days of education. Holidays in term time are only permitted in exceptional circumstances.

Teacher Training Days

Teacher's contracts of employment identify five days when teachers must attend in-service training. Three of these days are listed above and we will have to take two more during the holiday period or take them as twilight sessions.

Public Examinations

Parents of children in Year 2 and Year 6 are asked not to book holidays during May when the formal, statutory end of Key Stage tests are held.
