

Michelle Ings

I was appointed as a governor in November 2019. I have two children at the school – in Year 6 and Year 1. I am an experienced secondary school teacher and currently teach at Uffculme School. During my career, I have also held positions in middle leadership.

I am very passionate about Littleton. I have huge admiration for the staff and the way they consistently deliver an outstanding education to our children, while always being one step ahead of the latest developments in education and technology. It is a privilege to be part of the governing body.
