

## LITTLETOWN PRIMARY ACADEMY and NURSERY

Physical development and health, including personal, social development ~ YEAR 2016-2017

**Key Issue:** To maintain high standards in PE across the key stages so that children have good sports/physical skills and perform well in competitions and sporting events.

### **What do we do well?**

Swimming provision

Staff CPD

Intervention for AG&T and less able children from KS1/2

Club provision after school

Sporting competitions and events across the community

Resourcing when funds allow

### **SUCCESS CRITERIA:**

**Children progress well and have good age related sports skills.**

All children have access to swimming lessons and improvements are measured.

More children can take part after school clubs YR - 6

Specific groups of children take part in specialised sports coaching with a greater gender balance and involvement of children who take part in no extra curricular sports.

Children regularly take part in community sporting events and competitions with greater teacher involvement.

New teachers confidently plan and lead PE lessons.

***Sports funding is used effectively.***
