## **School Uniform Policy**

### **Introduction**

It is our school policy that all pupils wear school uniform when attending school or when participating in a school event outside normal hours.

### **Aims and Objectives**

Our policy for school uniform is based on the notion that school uniform:

- Promotes a sense of pride in the school
- Engenders a sense of community and belonging towards the school
- Is practical and smart
- Makes pupils feel equal to their peers in terms of appearance
- Is regarded as suitable wear for school and is considered by parents as good value for money
- Is designed with health and safety in mind

### **The Role of Parents**

We ask parents who send their children to our school to support the school uniform policy. It is the responsibility of parents to ensure that their child has the correct uniform and that it is clean and in good repair. It is parents responsibility to ensure that all items of school uniform are clearly named.
