## Charging and Remittance Policy

Ratified: 29th January 2019  
To be reviewed: January 2020

The Governing Body recognises the valuable contribution that the wide range of additional activities, including clubs, practical activities, trips and residential experiences can make towards pupils' personal and social education. The Governing Body aims to promote and provide such activities both as part of a broad and balanced curriculum for the pupils of the school and as additional optional activities.

### **Voluntary Contributions**

The Governing Body may ask parents for a voluntary contribution towards the cost of any activity that takes place during school hours. Parents are under no obligation to make any contribution and pupils of parents who are unable or unwilling to contribute will not be discriminated against. If a parent is unwilling or unable to pay, their child must still be given an equal chance to go on the visit. However, if the activity cannot be funded without voluntary contributions, the school will make this clear to parents at the outset.

### **Charges**

Any charges made by the school must meet the requirements of the Education Reform Act 1996. Sections 449-462 of the Education Act 1996 set out the law on charging for school activities in schools maintained by local authorities in England. The Governors endorse the guiding principles contained in the Act, in particular that no child should have his / her access to the curriculum limited by charges.

Any charge made in respect of individual pupils must not exceed the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

It must not therefore include an element of subsidy for any other pupils wishing to participate in the activity whose parents are unwilling or unable to pay the full charge.

The Governing Body reserves the right to make a charge in the following circumstances:

- any materials, books, instruments, or equipment, where the child's parent wishes him/her to own them.
- music and vocal tuition, in limited circumstances. Although the law states that all education provided during school hours must be free, music lessons are an exception to this rule. The cost for providing individual / group instrumental tuition will not exceed the cost of provision, including the cost of the staff who provide the tuition. A child who is looked after by the local authority is entitled to free tuition.
- breakages. In cases of wilful or malicious damage to equipment or breakages, or loss of school books or equipment on loan to pupils the Head teacher may decide to make a charge. Each incident will be dealt with on its own merit and at the Head teacher's discretion.
- community facilities e.g. Breakfast Club
- optional extras (education provided outside of school time that is not part of the national curriculum or part of religious education). Where an optional extra is being provided, a charge **can** be made for providing materials, books, instruments, or equipment. A charge can also be made for transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing body have arranged for the pupil to be provided with education) and board and lodging for a pupil on a residential visit.

In calculating the cost of optional extras an amount may be included in relation to:

- any materials, books, instruments, or equipment provided in connection with the optional extra;
- the cost of buildings and accommodation;
- non-teaching staff;
- teaching staff engaged under contracts for services purely to provide an optional extra, this includes supply teachers engaged specifically to provide the optional extra; and
- the cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra.

Charges **will not be made** for:

- an admission application.
- education during school hours (including the supply of any materials, books, instruments or other equipment)
- education provided outside school hours if it is part of the national curriculum or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education
- instrumental or music tuition, for pupils learning individually or in groups as long as this forms part of the curriculum
- For further guidance see DFE “Charging for school activities” 2018.

## **Remissions Policy**

Where the parents of a pupil are in receipt of state benefits or other support payments one of which would entitle their child to receive free school meals they may be eligible for further remissions (setting aside of costs.) In these cases the governing body invites parents to apply, in the strictest confidence, to the Head Teacher, for the remission of charges in part. The Head Teacher will authorise remission in consultation with the Chair of Governors.

As a general rule, where the governing body assists in the meeting of costs it will not give a 100% subsidy in order to ensure that parents share a commitment to the activity concerned. The only exception to this is that the Governing Body have agreed that for the academic year 2018-19 the Year 6 residential visit is subsidised for all pupils in receipt of Pupil Premium Grant funds. As such a high percentage of children qualify for this additional funding this will be reviewed each academic year by the Head teacher and Board of Governors.

The Governing Body may, from time to time amend the categories for which a charge may be made.

## **Refunds**

### **School Trips**

The full contribution to an activity will be refunded if a child is absent due to illness. If a trip has to be cancelled parental contributions will be refunded. The refund will be made by cash or cheque from the School Fund Trips Account.

### **Music Lessons**
