Hot Chocolate from the head

Miss Kelly was out and about Wednesday afternoon delivering a hot chocolate from the head package to ten very hard workers who have been nominated for the prize by their class teachers.

Residential Trips

As I'm sure you expect, it is with sadness that I can confirm that the year 6 trip to Robinwood has been cancelled. We have spent the last couple of weeks securing refunds and now are in a position to start issuing these.

In regards to the year 5 Winmarleigh Hall Trip due to take place in Autumn, we felt that it would be prudent to delay this to later in the year. Therefore, we have booked the residential to take place on 29th and 30th March.

We have also provisionally booked Robinwood for our current year 5 children to take place in July 2021.

Home Learners!

Thank you to those of you who shared your photographs of your virtual sports day events, it looked like you've had a great time. Please remember to send your score sheets in so we can announce the winners.

Next week will be Mrs McKenna's technical bake off challenge. We will post the recipe on Monday morning-remember to send in some pictures of the fruits of your labour. For this challenge we will be asking parents to be impartial judges-a score sheet will be attached to the recipe. Enjoy!

As a heads up, future plans include us still holding our annual Moorlands' Got Talent show this year, albeit virtually. We will be asking for maximum of a two minute video of your act to be sent to your class teacher. Two finalists from each class will be selected for the grand final of which more details will follow. We are giving you lots of notice so you can polish up your acts!

Wider Re-opening

You have probably all been glued to the news recently waiting to find out what the arrangements will be for children in September, please be assured that you find out at the same time as we do.

As always, we will work closely with the authority and governors to put plans in place that adhere to the guidelines, once received, as quickly as possible. We will be in touch with information for our families as soon as we can-we have been advised that the next government announcement will be on Thursday 2nd July.

We are, however, now in a position to say that school will be closed to ALL children over the summer holidays; we break up on Friday 24th July and as things currently stand, we return to school on Wednesday 2nd September.

I am sure you will join me in thanking my amazing staff team for their dedication to the young people in their care and their hard work in keeping school open for the entire time of lockdown; home learning activities uploaded and in some cases, their own children educated too. It's been a VERY unique time!
