Home learning

We still have a few questionnaires outstanding. Please try to remember to complete our questionnaire so we can make sure every child has access to the learning at home.

Don't forget we return to school on Tuesday 3rd November.

Home Learning

As the events of last week proved, we may have very little notice of the need to switch to home learning in the event of a positive covid result.

The staff are working very hard to make sure all preparations are made for the switch to be as seamless as possible but we need your help. Class Dojo has been a vital tool in getting messages out to large groups of people in a short space of time. If your Class dojo isn't set up, we please ask that you consider doing so as soon as possible.

Also, in order for school to know about any IT issues families are having and consequently make alternative provision, please fill in the questionnaire above.

Staff have also been busy this week making sure that children have passwords for the various online platforms at home. Please make sure these are kept some safe and to hand.

Thank you for your support.

Friends of Moorlands

I hope you're all enjoying the doughnuts that Friends of Moorlands have delivered to school this afternoon. Thank you to all the volunteers who have organised this. An extra special thank you also to FOM for organising home delivery of the doughnuts for all our year 6 children who are isolating. I'm sure it will be a much needed pick-me-up!

The next FOM event is still live on ParentPay-the virtual gin tasting night. Tickets cost £15 for four locally sourced gins with garnishes and a savoury snack! What a bargain!

We'd like to say thank you to FOM who have tried really hard to adapt their events and think if news ways to raise money for the school during these difficult times.

Well done to all the recipients of hot chocolate with the head who have made a fabulous start to the school year and have impressed their teachers with their wonderful work and attitude. They all fully embody our school values!

Covid

During the half term holiday If your child or another member of your household develops symptoms and you get a test, please can you let us now . We would also ask that you notify us of the results via the dedicated email address:

info@moorlandsjuniorschool.com .

This will then allow us to talk with public health and put in place any arrangements that we may need to.

This above email should only be used to notify school of any positive covid cases, any other queries will not be responded to over the half term break, these should be directed to admin@moorlandsjuniorschool.gov.uk and they will be answered on return to school.

Thank you for your help in this matter.
