Sale Grammar School Multi-Sports Festival

Some of our year 3 children took part in a multi-sports festival at Sale Grammar school on Tuesday afternoon. They all represented the school fantastically well, had a great time and achieved certificates congratulating them on the passion they showed for the sports.

Well done!

Year 6 SATS

Next week our fabulous year six children will be taking their SATS. They have worked very hard during the last four years in order to prepare for these and we are extremely proud of the children they have become.

This weekend, they need to keep calm, relax and have an early night on Sunday so they are refreshed and ready for the week ahead.

Thank you.

Book Fair

Julia, a representative of the Travelling Book Company came to school this morning to tell the children about some of the wonderful books that will be available.

The book fair will be visiting school from Tuesday next week. We will be open for business after school every-day until 4pm in the library area.

Children will be able to purchase books either after school, during their class visit or through an order from found on the back of the leaflets which have been sent out tonight.

In the past the book fair has proved very popular with a good selection of books on offer. Please come along to support the fair, the sales from recent fairs have contributed to over £1500 of commission for school which we have spent on replenishing the school library and buying class reading books.

We would like to set up book swap boxes in each classroom whereby children can choose a book in exchange for donation one of their own. In order for this to be successful we need books. If you're having a sort out and have any spare that you no longer have a use for we would be delighted to take them off your hands.

It's Good to be Green

Did you know that we are collecting and recycling crisps packets at school?

Send in your empty crisp packets, we will send them off to be recycled which will raise money for school.

We are also going to start collecting batteries as part of our recycling campaign. Collect your used batteries and send them into school, we will organise the collection.
