SUDs Project

On Wednesday evening we were really excited and honoured to host the Vice Lord Lieutenant of Greater Manchester and a host of CEOs and managers from local North West businesses as part of the Prince's Seeing is Believing Project.

They all came as part of Responsible Business Week to look at the SUDs project which is very nearly finished at the front of school. Our Eco Councillors presented their views and the premise of the project to them and were then involved in talking to them as they explored the site.

Some of the Eco councillors were interviewed for BBC Radio Manchester too. If you'd like to listen to them look for the link in the SUDs tab on our website.

We hope you will all enjoy the rain gardens and new pathway for years to come. We have just got a few tweaks to make putting in crossing areas to get you from the path to the areas outside the classrooms and finishing planting and it'll be complete.

Assemblies

A very big well done to 5L who led the assembly this morning which was all about aspirations.

It was lovely to hear all about the career paths the children would like to take in the future. We hope they write to us in years to come to let us know how they get on.

Mrs Jenkinson

Sadly, Mrs Jenkinson has decided to leave Moorlands Junior School. Her time at the school is even more significant as she started here on the first day that the school opened as a pupil over 51 years ago!

We would like to thank her for her hard work for the school and wish her well with her new ventures.

We look forward, after the Whit holidays, to welcoming Mrs Osborne to the Moorlands team as our school business manager.
