

Moorlands Junior School Newsletter

14th June 2019

Welcome back to our busiest half terms of the year!

This week we have already had a trip to Sale High, a FoM Father's day shop and we would have had sports day if the Great British weather hadn't had other plans!

Next week is our final science week and we hope to see some of you on Friday afternoon when we share our wonderful work with you all.

Please keep checking the date list and the calendar on the website to keep organised with all of the events.

Thank you.

Friends of Moorlands BBQ

It is our annual BBQ on Friday 28th June from 5.30pm onwards.

Orders are being taken for the burgers and hotdogs at our end of year BBQ via ParentPay. Please make sure you get your orders in by 24th June to give the FoM helpers enough time to collate the orders and prepare the food.

We are also holding two own clothes days in exchange for donations of chocolate (21st June) and bottles (28th June).

Fingers crossed that weather will improve considerably in the next two weeks and we can have a lovely BBQ in the evening sun!

Sale High Taster Day

Thank you to Sale High for inviting our year 5 children to a taster day today. They all spent a very exciting day finding out about life at secondary school and trying out sample lessons, not mention, lunch!
