Parent Questionnaires

Some of the parent questionnaires sent home last week have started to come back into school.

In September we will collate all of the responses and get back to you with any changes made as a result. However, before then we would like to address one of the issues raised before the start of the new academic year. It has been mentioned that some parents are unhappy with sweets and chocolate being given out at birthdays. This is not school policy or an expectation but more the individual choice of parents to send these in. We understand the concerns raised and from September will discourage the sending in of sweets at birthdays. If they are sent into school, we will continue to encourage that children take them home to gain parents' permission rather than eat them at school.

Year 6 Disco

Robinwood

Our year six children had a fabulous time at Robinwood this week!

They all joined in the activities with bravery and enthusiasm, thoroughly enjoying the experience.

As always, the behaved superbly, making all the staff who accompanied them very proud.

The Robinwood trip for year 5 (next year's Y6) has been provisionally booked for 13th-15th July 2020, letter will be going home next week.

And don't forget the deadline to pay the deposit for the **Y5 residential** at Winmarleigh Hall is next Friday.

Assemblies

This morning saw the final class assembly of the year which was led by 4L.

They kept a very tired audience entertained with their interesting facts all about animals and the recounts of their recent trip to Canon Hall Farm.
