Assemblies

Well done to 4C who kicked off the class assemblies for 2018 with a bang! It was fabulous to hear about so many wonderful authors that our children enjoy.

Next week our assembly will be led by 3P.

Year 3 violins

Year 3 are very excited to be taking part in the Wider Opportunities music scheme. This year, they are learning the violin and lessons have started this week! The instruments can go home but we ask that you please make sure they are in school every Wednesday.

Lost Property

We still have lots of lost property in school which we will have to dispose of very soon. Please call into the school office as soon as possible if your child has lost any items.

After the carol service, an Inter Milan tracksuit was left behind. If it is yours, please call into the school office to collect it.

Maths Update

Our maths consultant, Rebecca Holland, is in school again next week to work with staff, observe lessons and lead a training session for all staff on bar modelling.

We are excited to be continuing on our journey of school improvement.

Look out for opportunities to join us on our journey in the summer term.

Mr Clark

Mr Clark is soon to become a dad for the second time. He will be taking paternity leave at the end of the month to spend this exciting time with his family.

4C will be covered by Mrs Heck.

Robinwood

Just a reminder that payments for Robinwood can be made on Parentpay to help spread the cost of the trip.

Thank you

Sale High School Links

As one of our link secondary schools, Sale High school will be visiting our school. In the first instance, a maths teacher will be coming to teach a lesson to a year 5 class on Thursday 7th February. They will also meet with our year 6 teachers to discuss transition in maths.

Friends of Moorlands

There will be a planning meeting on Wednesday 17th January at the Bridge Inn at 7.30pm.

It would be lovely to see as many as possible there.

Letters home this week:

Year 6 trip letter for Crucial Crew
