Tree Planting

3P have been to Priory Woods this week to plant trees, along with 3C who went last week, they have planted over 300 trees.

Thank you to The Conservation Volunteers for organising the events.

The Brass Project

Year 3 were very excited to start the brass project this week. This was the start of a 10 week project which will culminate in a concert to the rest of the school and parents. Which we are all looking forward to!

Pupil Progress Meeting

It was lovely to see so many of you at the first pupil progress meeting this week. The next one is on Wednesday 23rd January. If you don't have an appointment, please contact the school office who will be happy to help.

Crucial Crew

Our year 6 children have been to a Crucial Crew workshop this morning, learning all about personal safety in water, on the roads, trams and railways as well as learning about how to help someone in need and basic first aid.

As usual, we received lots of compliments about the behaviour of our children and they all had a great time.

Multi Use Games Area

The installation of the MUGA (multi use games area) was delayed slightly and only started on Thursday. Therefore work will continue next week.

There will be work vehicles and skips on site all next week, please help us by keeping children away from the area at drop off and pick up times.

Thank you.

Fashion Show

Friends of Moorlands are holding a fashion show hosted by Flair Boutique on Friday 1st February at 7.30pm.

There will be a fashion show, bar, various stalls and a raffle.

Tickets are priced at £7 and are available via Parentpay.

We hoping it will prove to be a very popular evening.

Like any good fashion show, we will need a team of models who are willing to strut their stuff down the catwalk (across the stage), if this sounds like something you'd be interested in, please let Clare Hines know via the school office or through the Facebook Friends of Moorlands page. We will also need helpers to run the bar and raffle for the shy and retiring types among us!

Important Notice

Please can we remind you that the car park is not a pedestrian area and should NOT be used by children and parents. There have been several near misses recently caused by parents using the car park as a short cut.

If you are coming to school before 8.30am, please use either the main gate or the Broad Road entrance and walk around the school building. We appreciate this takes longer, however the safety of the children must be paramount. The car park gates are open to allow staff and deliveries to enter.

Thank you for your help in keeping our children safe.

4L Class Assembly

Well done to 4L for the first class assembly of 2019. They did a fantastic job of telling us all about the sport events we have to look forward to in 2019.

There is no assembly next week as it is humanities week. The next class assembly is on Friday 1st February and will be led by 3C.
