School Values Days

You may have noticed on the date list that this term we are holding two days dedicated to our school values (we will hold another two next term). We have chosen the values 'support and care' and 'make the most of every opportunity'.

The days will be used ways to promote the values across our school community. To mark the day, children will be able to come into school wearing the colour of the value concerned, which will be red for the first day on 31st January. They can wear a red top, trousers, head band or socks.

Thank you.

Communication with Parents

Please be aware that we use the school email as our main method of communicating with you and lots of parents are advising us that they haven't received emails.

We have spent a lot of time making sure we have the correct contact details and our system should now be up to date. If you think there is still a problem, please contact the school office as soon as possible.

Emails from us may come through as 'eschools' and could look like generic mailshots. To be sure that you aren't missing any correspondence, save our contact as Moorlands Junior School, that will then ensure that it shows up clearly as an email from school.

Also, please check your junk email box as our system is showing emails as being sent but not opened.

Thank you.
