

WACKY WAYS TO PRACTISE YOUR SPELLING!

Make a word train by joining each word into one longer word. Remember to write each spelling word in a different colour!

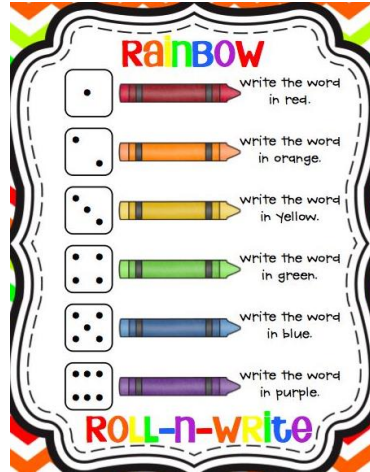

Find the words within words! Start with your spelling word: can you find any other words hidden using the same letters?

Write out each of your spellings words twice on pieces of card or paper. Turn them all over and try to pair them up!

The classic method!

Rainbow Writing: Use different colours for each letter in the word.

Create a spelling scribble:

Use your spellings to write silly sentences or even a whole silly story!

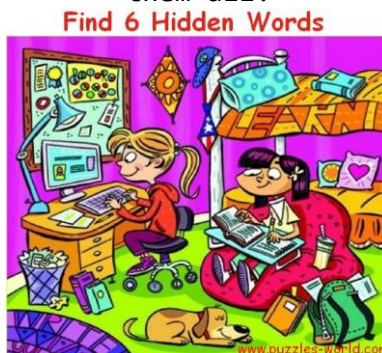

Beat the Clock!
How many times can you write out your spellings in 5 minutes?

Swap Hands: Write each spelling word with your correct hand, and then do it again with your weaker hand!

Write your spelling words out in alphabetical order.

Draw a picture with your spelling words hidden! Swap to see if a friend can find them all!

Find the letters for your spellings in a magazine!

Use fancy handwriting to write out each spelling word. Can you use bubble letters?

Make a word search - hide all of your spelling words in a grid. Then try to find them all!

Take out the vowels! Copy your spelling words without the vowels. Can you put them back in correctly?

There are lots of other fun and exciting ideas online!
