NEEDS

If you answered yes to the above and would like to join Andoversford Primary School Governors as a Parent Governor then we would love to hear from you! You don't need to have experience or background in education – just being keen to be involved is enough!

Please pop in and see Mrs Bradley-McKay or Marilyn Davies, Chair of Governors to talk through what would be required and to express interest.

You are invaluable to the growth of our school and we would love to have you on our team!
