

We aim to enable pupils to:

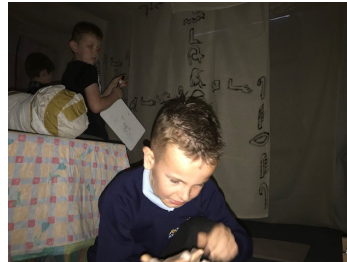

- find evidence, weigh it up and draw their own conclusions.
- ask and answer significant questions.
- to understand how and why people behave as they do now?
- develop a sense of responsibility for the world in which later generations will live.
- inspire a long lasting interest and enjoyment of leaning about the past.

HISTORY

Our aim is to foster a love of History, through stimulating the children's interest and understanding about the life of people who lived in the past, in Britain and the wider world.

Beacon

shine brightly

In KS1 pupils should develop an awareness of the past.

They should know where the people and events they study fit within a chronological framework.

The Great Fire of London

Pupils learn about:

- changes within living memory.
- significant national or global events
- the lives of significant individuals
- significant historical events, people and places in their own locality.

Helping to extinguish the Great Fire of London!

The teaching of History is enriched through immersing pupils in first hand experiences and providing rich opportunities to investigate artefacts.

At KS2 pupils continue to develop an understanding of local, British and world history, noting connections, contrasts and

trends.

Pupils will have the opportunity to learn about:

- ◆ Changes in Britain from stone Age to Iron Age.
- The Roman Empire
- The Anglo-Saxons and Scots
- The Vikings
